THE LIONS TALE

WE SERVE

**FROM THE DESK OF THE
PRESIDENT**

Dear Fellow Lions,

This is the last newsletter I write you as president of the club. It has been an honor to serve with the board and to preside over the club. We have some great members who contribute in very visible ways and also behind the scenes. I want to thank you for all of the help you have given to me during this position of leadership.

Looking forward to having you welcome President Jackie to the podium. Let's make this a great summer and year ahead for our club.

**Sincerely,
Lion Michelle**

SPOTLIGHT ON MEMBER RON HANSEN

Ron joined our club on 10/01/87 then had to leave us for a while. He rejoined on 10/01/97 and since that time has been a very valuable member serving as a leader of our ramp crew, leading our tireless workers in the Mullally Field sidewalk project which then led to lots of sidewalks for RP schools. He worked on many of our numerous vision missions into Central and South America as well as a couple of Habitat for Humanity builds, also in Central America. He continues to be very active in meeting attendance and is continuing his role with our Causeway flag project. In recognition of his spirited work and his ability to serve well with others, he received the 11C-1 Rodney Prys Spirit Award for 2017-18. Ron Hansen is an all around “good guy.”
