Muskegon Northside Lions Club Scholarship Application

The Muskegon Northside Lions Club will offer a graduating senior, one from Reeths-Puffer and one from North Muskegon, who excels in the AREA OF SERVICE, a $1,500 scholarship to further their education. The money for this fund is raised each year by the club. The Lions are involved with many areas of service in the community, including Feeding America food trucks, Kid's Christmas shopping, partnering with Love, INC on a mobility ramp, placing American flags, vision and hearing needs, educator mini-grants, and Veteran's Memorial Park improvements, to name a few.

When the student is ready to pay fees in the fall, they must ***contact Paul Hoppa at 231-730-2034*** with their college student number and the address of the financial aid office. A check for the student, made out to the college, will be sent directly to the college. This scholarship must be used during the next school year following the presentation of the scholarship.

The following criteria will be considered when evaluating each application: service to others, GPA, school activities, and character. The weight of these areas will be determined by the Lion's club.

APPLICATION:

The application must be completed and returned to the counseling office by April 16, 2027. TYPED APPLICATIONS ARE APPRECIATED!

This application must be approved by the Principal or Counselor and a Senior Class Advisor. Include at least two letters of reference from someone other than a relative with this application. Also include a copy of your high school transcript.
