

### We Serve

#### From the desk of Lion Dennis Cobler, PID

The New Year has come without the usual winter time bluster which all of us can appreciate. The ramp crew managed to get in yet a couple more ramps for our neighbors that really needed them, our hats off to that great bunch of hard

working community activists

LCIF is continuing with the latest fund raising campaign; Campaign 100 which is intended to replenish the Foundation coffers with additional funds to try and meet all the needs of those that have no other avenues of support. 100% of our donated funds go to where it is most needed. Our Northside Lions Club donates on behalf of each of us \$1,000.00 each and every year and has donated in excess of \$140,000.00 thus far. This total includes both the club donation and those dollars donated by our individual members. Our membership is very generous as over 50 of us are Melvin Jones Fellows and an additional 17 are Progressive Melvin Jones Fellows meaning they have donated beyond the initial gift of \$1,000.00. I would be very happy to meet with any of you that might be considering additional gifts during the coming months. A perfect example of a dire need at this time would be the wild fires in Australia. LCIF has reached out to the Lions of Australia with badly needed cash and will continue to do so as the restricted funds reach the Foundation office. Each dollar you would consider giving can and will be sent in the direction you desire, much of our past club donations have gone to the Measles Initiative to be matched dollar for dollar by other foundations such as the Bill & Melinda Gates Foundation. The Foundation is a very worthy cause and your dollars will do more than you may ever realize. I am a big supporter of LCIF's efforts as are many of us that call Northside our home!

Until next month, PID Dennis

**Snow Day Reminder** – The Church will notify a Club Member if they will be closed for our meeting due to the weather. A Member will start a call chain with the Board. It was noted and it is expected that if the church is open but members are in areas where roads are treacherous they will stay home. Meeting attendance is not a requirement for membership. Stay safe!

### Happy Valentines Day

#### An Editorial by: Lion Ed Weessies, PCST Lions Tale Editor

Fellow Lions,

How about a great welcome to Lion Deb Moreen whom Lion Hoppa installed on the 21st. Lions Tammy Coulier, Kerby Erickson and Mark Moreen were installed on January 7th. What a great way to start the second half of the Lions' year. Please look around for folks like yourself that want to be of service to our community and the world. We cannot have too many friends and that is what we Lions are – friends.

It is that time of the year when we are looking at the election of our 2020-2021 board of directors. At the present time we are looking for candidates for a third vice president and a Tail Twister. Other vacancies may occur. Some of our newer members have stated that they feel that they do not know enough about the club or Lions in general. Serving on the board in any position is one of the best ways to learn. You do not have to have been a Lion for any specific amount of time to serve. The same goes for sponsoring new members. Once you have accepted membership you are qualified. If you do not know, ask.

To all the committee chairs and co-chairs. PLEASE contact First Vice President Darnell Gundy-Reed at 740-2616, or at [darnellgundy\\_reed@yahoo.com](mailto:darnellgundy_reed@yahoo.com), or me if your intention to remain on your committee or if you wish to be replaced. Everyone is doing a great job but we all get tired out too.

Now as we start the second half of the Lions' year our first fundraiser is White Cane Tag days on the first weekend in May (please mark your calendars). The first community service project will be our partnering with Friends of the Walker Memorial Library's Easter Egg Drop. The stuffing of the eggs will be held at the North Muskegon Community Center at 10 A.M on March 12. Lunch will be provided. The egg drop is planned for April 4 at 11 A.M. The alternate date, if weather dictates, will be April 11. As in all events we participate in, PLEASE wear your and/or a Lions' cap. We must identify our selves.

White Cane Tag days will be May 1 and 2. Two days at Dykstra Road and Witham Dr. and on Saturday the 2nd at the Four Corners in North Muskegon. With the closing of Great Lakes Fresh Market we are looking for a new location. If you have any ideas for replacement contact Lion Deb Roest.

This cannot be said enough! We need to get the word out to the public about all the great things our members do. Sure it is bragging by publicizing what we do we show that we are proud of what we do for our communities and the world. Next to word of mouth, the Internet is the best way to spread the word. Those of you that use Face Book and Twitter can help by getting the information of what we do by "tooting our horn" about our accomplishments so that we are not one of the many best kept secrets. This effort will hopefully encourage others to want to become a part of our team of dedicated men and women of service. Also, as we age we need to draw younger folks to join to carry on our great traditions. It sure would be great to change the "Just Ask" to "How Do I Become A Lion?"

Last but not least, you all are asked to continue to keep those of our members, former members and their family members that are ill or recovering or have passed away in your thoughts and prayers. They include Lions Lupe Alviar, Windy Bradfield, Rol Crummel, Rita King (Lion Brad's wife), Pat Wiseman, Ray Wiseman and former Lion Tom Carl and Jan Weessies. It should be noted that Windy is improving. How great!!! Some how I missed a sad event. Sad to say Lion Steve Bowne's wife Connie has passed away in November. Sadly Lion Steve's mother is in Hospice care. Please add Lion Steve and his family to you list of those you are praying for. I would also like to add that my granddaughter Emily Weessies completed her treatment for a malignant brain tumor. She will find out this month how effective the treatment was and if she does not need further treatment. Thanks for all the prayers. I am sure there are others we need to be thinking about.

Please keep me posted as to who might be ill, been in an accident, lost a loved one or had surgery. We are a family.

For those members that have not been attending meetings, you are missed. Everyone brings something good to our meetings even if it is only a smile!!!!
