THE LIONS TALE

WE SERVE

FROM THE DESK OF THE
PRESIDENT

Dear Fellow Lions,
I hope you're enjoying these crisp fall days before they give way to the white, fluffy stuff we all know is coming! As November approaches and we reflect on what we're thankful for, I want to express my gratitude to all of you for your support—through my presidency, my daughter's medical challenges, and the steep learning curve of leading our various meetings. These past five months have been a true learning experience, and I'm deeply grateful for the leadership, patience, and encouragement of so many members who are always just a phone call, text, or email away.

As we head into this holiday season, may we continue to grow in our Lion friendships, (cont. pg2)

volunteer for a service opportunity or two, chair an event, or share ideas on how we can support our community. With that being said, let's give a huge shout-out to our members who volunteered at one or more of the eight KidSight screenings in Muskegon County schools during October, greeted students at Central Elementary as part of "Walk and Roll," donated items to Hillcrest Living or the St. Mary of the Woods Baby Pantry, or helped feed the Paper Gator at First Lutheran. By living out our motto, "WE SERVE," we are making our community stronger and better—together.

SPOTLIGHT ON MEMBER DOUG KRAUSE

This month's spotlight is on Lion Doug Krause. You might know him from his involvement as the chair of the Northside Lions Raffle. He says it is an honor to take over the raffle, as it is a fundraiser that has generation a large sum cumulatively for the club. He has been a club member since 2017 and Lion Frank DiPiazza (deceased) was his

sponsor. He also has been a board member, helped with the Easter egg hunts, and mixed batter at the pancake breakfasts.

Retired from 40 year of work in the automotive industry, he is currently a chair person on his condo board association. Doug hikes, bikes (on a "real" bike) and he likes to kayak.

His daughter Jillian Johnson is an avid member of our club and he is very happy that she has stepped into a leadership role. He is very involved with his daughter Mardi, who has special needs, and a foster son with special needs.
